

# FIREWISE INFORMATION

**Two Webinars are up on line for viewing from NFPA.  
Each is 60 minutes long.**

**Wildfire and Insurance: Learn How to Prepare Financially.** Listen as Janet Ruiz from the Insurance Information Institute and Nicole Mahrt-Ganley from the American Property Casualty Insurance Association, address questions about protecting yourself and your property, including important home insurance tips such as how to do an insurance check-up to prevent underinsurance and the right way to make a home inventory.

**Wildfires and Insurance: How to Protect Your Property from Wildfire.** Bob Roper from the Western Fire Chief's Association paints the picture of challenges and options for fire suppression this year and highlights the importance of work done by residents. Daniel Gorham and Faraz Hedayati with the Insurance Institute for Business and Home Safety (IBHS) share how reducing your risk from wildfire can be affordable and practical.
