

Radisson Community Updates

Communication with residents is an important function of the Radisson Community Association.

Help ensure that you stay informed by keeping a current email address in your web account.

Not only is email useful for time-sensitive updates, it is contact-free, paper-less, and ultimately, the most efficient means of communication currently available to us.

Check your email (including junk folder) for ASC Application updates, usage updates for Garden, Kayak, Storage Yard, Association News, *Reflections* and more.

We intend to inform, not to overwhelm your inbox, so if we are sending you something, it's probably worth taking a look!

We have been notified by the U.S. Army Corps of Engineers (ACOE) that the initial field work in its environmental study on RCA Common Property, between North Entry Rd and Sumac Dr, is estimated to be completed between 3/29 – 4/16. These areas will be marked for underground utilities, and soil/water samples will then be collected. A crew from Bluestone Environmental will be onsite with pick-up trucks and a small skid-steer.

With the unusually warm weather this week, we have had a number of inquiries about the sale of paper yard waste bags. We will not be selling them in the office, but Village Ace Hardware is again offering a discount to Radisson residents. Coupons will be in *Reflections* throughout the season.

See Yard Waste Service schedule announcement below.
