Board of Directors Election

In this year's Annual Elections, there will be three (3) open seats on the board to fill, through election or re-election. If you are interested, Board Application Packets are now available and can be obtained on our website, www.radissoncommunity.org or at the RCA Office.

Seasonal Updates

Yard Waste Pick up Service

Our office has received several calls regarding the start of brush pick-up. Typically, brush and yard waste pick-up does not begin until mid-April. Although weather plays a part in the starting date of yard waste pick-up, we are also unable to start this community-wide service until our seasonal positions are filled, which is not until after April 1. If the spring-like weather conditions continue, we will begin our pick-up as soon as possible. We will advise you accordingly via the Reflections and our eMail Bulletin system.

Community Gardens

Gardeners welcome spring at the Community Gardens! Renewal contracts have been sent to last year's renters and new contracts will be available beginning April 1st. Plots are \$25 each plus security deposit. Check the website for contracts!

Tennis Court Keys

For security reasons, we change the locks on the Tennis Courts every few years. Locks will be changed on April 1 of this year. After April 1, registered members may purchase a key, \$5, at the RCA Office or at the Oberon Pool Office, once it's open.

River Park and Boat Launch Keys

The locks at the River Park are changed each season on or around April 1. Keys will be the same price as last year, \$5 for the River Park only, \$45 for a key that opens the entrance and Boat Launch gates.

Architectural Standards Committee

The staff of the Architectural Standards Department has been busy conducting property maintenance inspections. Since the first of the year (1/1/16 – 2/29/16) they have sent out over 162 violation notices across the community. We placed a greater emphasis on improper trash can storage this winter. We will be turning our focus to paint/stain conditions, overhead garage doors, and driveway maintenance issues as the weather begins to cooperate.

It's not too early to start submitting ASC applications for your Spring and Summer projects! Approvals are valid for 6 months. Our next meeting dates are scheduled for March 21 and April 4.

If you have any questions, please email the committee at asc@radissoncommunity.org.
