ACH SurePay Process and Agreement for Electronic Payment of Assessments

Oasis Community Management and your community's bank have made available for you the ability to have your assessment payments automatically withdrawn from your bank account. There is no monthly charge for this service and you never have to write another check in order to pay your monthly assessment.

These preauthorized electronic payments use the Federal Reserve's Automated Clearing House (ACH) in order to process these automatic charges from your checking or savings account. The funds will be automatically withdrawn from your account between the 5th and the 10th of the month.

In order to enroll, please fill out the information below, agree to the terms and conditions, and attach a voided check. Please send via email or mail to Oasis Community Management, with your voided check (a picture is fine) and mail it to us at the address listed above.

If you have any further questions or concerns, please contact the Oasis office and we will be happy to answer any questions that you may have.
